

The Winners of the Wienerberger Brick Award

For more than one decade now, Wienerberger AG has been hosting the international “Wienerberger Brick Award” biennially, providing a stage for excellent brick architecture and its architects. The first Brick Award was in 2004, since then projects have been submitted from all over the world. For each award year, an independent jury of renowned architects selects the winners. In the following, you can find an overview of all winners from 2004 until 2018.
